Key Questions to Ask Your Financial Professional

- ✓ **Given my financial situation, should I choose a brokerage service? Should I choose an advisory service? Why or Why Not?**
- ✓ **How will you choose investments to recommend to me?**
- ✓ **What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?**

What fees will I pay?

MCA Securities, LLC does not charge separate fees to its retail customers. However, each investment program has a multitude of fees and costs associated with the investment that are earned by the sponsor. Those fees are explained in detail in the private placement memorandum.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

For detailed information regarding our fees, refer to the disclosures in the private placement memorandum for a particular investment.

Key Questions to Ask Your Financial Professional

- ✓ **Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?**

What are your legal obligations to me when providing recommendations? How else does your firm make money and what conflicts of interest do you have?

When we provide you with a recommendation, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations we provide you. Here are some examples to help you understand what this means.

- *Compensation: We earn fees based on the amount of assets we place in an offering.*
- Some of our financial professionals are registered with our affiliated SEC registered investment advisor, Maven Capital Partners, LLC. Please refer to details in [Form ADV Part 2B filings here](#).
